

Case Study: Glocote Orange Cairngorm Mountain Ski Area

Project: Cairngorm Mountain Ski Area

Products used: Glocote Fluorescent Orange

Product Functions: Our Acrylic floor paint is an easy to apply water thinned floor paint. It can be used on tarmac as well as concrete, asphalt, wood, walls and bricks. Easy to apply and fast drying with low odour for foot and light truck traffic. Suitable for internal and external applications such as bricks, window ledges and walls. The acrylic paint can also be applied to new concrete (2 weeks old) after laitence has been removed.

Surfaces: Wooden Poles

Project Completed: December 2017
