PAINTS, PRIMERS AND SPECIALISED COATINGS

Case Study: Debi Keable's City of Culture Sculpture

Project: Debi Keable's City of Culture sculpture

Products used: All Purpose primer, Luminous paint with a 2 pack clearcoat WB101

Product Functions: Coo-Var Luminous is a coating that glows in the dark for a limited time after exposure to light. Used to identify exits, doors, escape routes or steps when lights fail at night. Also suitable for theatrical effects. This product is especially useful in buildings with a large amount of people.

Project Completed: 2016

COVERING OUR CUSTOMERS' NEEDS SINCE 1908
