

## Fluxaf Power clean

### Product description and uses

Biodegradable Fluxaf Power clean is a very powerful ready to use alkaline cleaner and degreaser. Based on a range of solvents & surfactants, it's designed to remove tough stains in seconds from practically all hard surfaces.

### Fluxaf Power clean formula works on:

- Chewing gum
- Bumper Stickers
- Labels
- Kitchen cabinets
- Kitchen grease
- Masking tape
- Tape residue
- Fireplace soot
- Smoke damage
- Printer's ink
- Crayon
- Lipstick
- Shoe polish
- Soap Scum
- Mildew Stains
- Scuff marks
- Cosmetics
- Food & drink stains
- Blood stains
- Pet stains

### Stubborn stains:

For older or more difficult jobs like brake dust, oil grease and dried latex: apply a generous amount of cleaner and allow to stand for a few minutes before wiping off. repeat the application process if necessary

### Pretreatment for painting:

Paint will adhere to surfaces better and longer with Power clean than with traditional pretreatments, so you are assured greater reliability.

### Directions for Use:

- 1: Always test on an inconspicuous area first.
- 2: For initial application spray sparingly on surface to be cleaned, working from top to bottom.
- 3: Spray surface until thoroughly wet, and allow to penetrate for a few seconds before rinsing with wet cloth or sponge.
- 4: If used as treatment before painting, ensure any residue is thoroughly rinsed off with clean water.
- 5: for older, more difficult jobs, apply a generous amount of cleaner and allow it to stand for a few minutes before wiping off.
- 6: For stubborn stains, repeat the application process.

**WARNING:** This product could mark metal, always test on an inconspicuous area first. Do not use on leather. Do not mix the product with any other chemical.
